

ARIZONA DEPARTMENT OF TRANSPORTATION

NOTICE OF PUBLIC MEETING

WHEN:

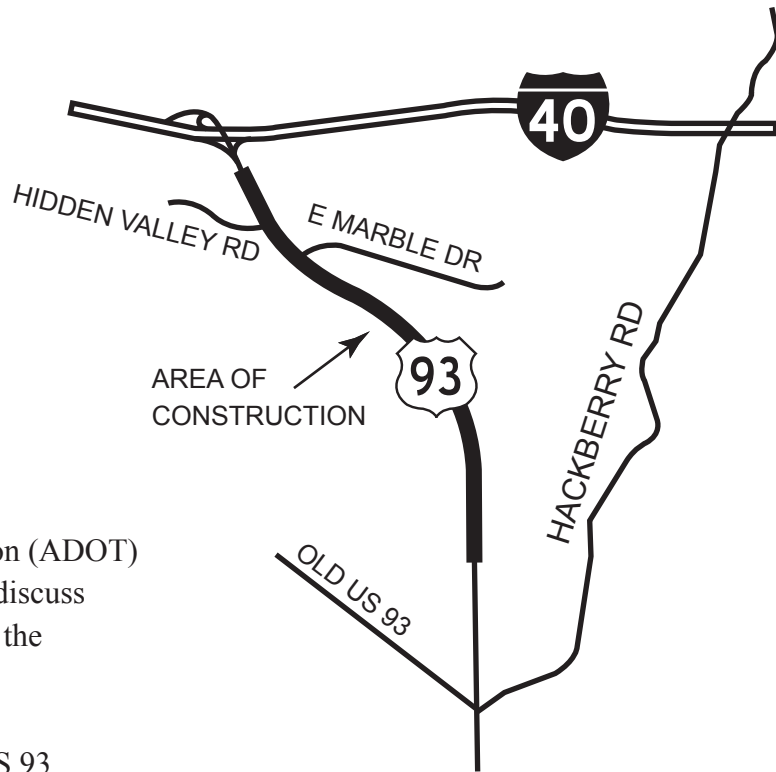

Monday, February 11, 2008
3:00 p.m.

WHERE:

Cedar Hills School
9501 E. Nellie Drive, Board Room

SUBJECT:

The Arizona Department of Transportation (ADOT) invites you to attend a public meeting to discuss contractor use of Hackberry Road during the McGarry's Wash construction project.

Construction is currently underway on US 93

McGarry's Wash and is expected to be completed by Fall 2008. The construction project will build a parallel two-lane roadway from MP 95.2 (Silverado Ranch) extending north for a distance of approximately 3.5 miles (I-40 and US 93 Traffic Interchange) upgrading this section to a four-lane divided highway. As a part of this project, construction trucks will need to use Hackberry Road to transport materials from the asphalt and aggregate plant site, located north of Interstate 40 and the Hackberry Road overpass, to McGarry's Wash.

The Arizona Department of Transportation Kingman Construction District will be providing information about the US 93 McGarry's Wash construction events taking place over the next six months. A few of the topics to be discussed at this meeting are:

- Construction Schedule
- Time frame for construction trucks on Hackberry Road
- Community concerns

The Arizona Department of Transportation appreciates your patience during this construction period.

For additional information, contact:

Michele Beggs

Arizona Department of Transportation, Kingman District Public Information Officer

Phone: 928-681-6054; E-Mail: MBeggs@azdot.gov
